	FCL FUTURE CHRISTIAN LEADERS	At the Feet of Jesus 2024
---	---	---------------------------------------

Northside is excited to begin a new Bible study program for our K-12 students. This will be a three-month commitment and will take the place of what we have done in the past. We have modeled this program after other programs in the brotherhood, but have made it fit our local congregational needs.

Our textual topic for this year is the Sermon on the Mount (Matthew 5-7) and the Sermon on the Plain (Luke 6:20-49). Our theme is "At the Feet of Jesus." We are designing Sunday evening Bible class, along with all the activities involved, to be relevant and engaging. Sunday night Bible studies will be upstairs in the big classroom and begin January 7.

Our culminating event will be held at Northside on April 6 followed by a short fun trip to Branson overnight. There are a variety of creative events and challenges for each student to choose from. We will be recruiting coaches and judges for the activities involved. We would like to challenge all our parents to support this work as we continue to strive for ways to get God's word deep within the hearts of our children. If you have any questions, please see Chris Middleton or Beau Bennett.
