**PRAYER**

In FCL on Sunday nights, we are studying the Sermon on the Mount. One of my favorite parts of Jesus's sermon is when he teaches us how to pray.  
 In Matthew Chapter 6, starting with verse 5, Jesus says:  
 And when you pray, do not be like the hypocrites, for they love to pray standing in the synagogues and on the street corners to be seen by others. Truly I tell you, they have received their reward in full. But when you pray, go into your room, close the door and pray to your Father, who is unseen. Then your Father, who sees what is done in secret, will reward you. And when you pray, do not keep on babbling like pagans, for they think they will be heard because of their many words. Do not be like them, for your Father knows what you need before you ask him.  
 Isn't it incredible that God made it so easy for us to talk to Him!? He could have given us strict rules to follow when we prayed, and we would have followed those rules because we love Him, but He didn't do that!  
 Instead, He loved us so much that He removed all the barriers and gave us access to Him at all times!  
 On top of that, He took the time to reassure us that He already knows what we need before we even ask.  
 We don't have to have perfect words when we pray. God knows our hearts! But sometimes my heart isn't always where it needs to be when I pray. I have to be careful that I prioritize God over impressing other people.  
 It is easy to fall into the trap of wanting your family and friends to like the way you pray, lead songs, or even deliver a devotional. Everyone likes compliments!  
 But prayer is sacred!  
 I never want to lose sight of the fact that it is a blessing that our God is so easy to talk to!  
 So today I am committing that when I bow my head in prayer to God, I will focus on Him and not on using impressive words. I won't babble like a pagan!  
 I will trust that God will answer my prayers not because they sound good, but because He is SO GOOD!  
 Levi Hursh

# Family News

Welcome  
NEW  
MEMBER

**JODI  
HARRA**
