ELDER ANNOUNCEMENT

As you are aware, the COVID virus has made a resurgence in our area and the Elders feel it is time to consider how we may move forward while still maintaining a reasonably safe environment for fellowship, study, and worship. On Sundays, we will return to individually packaged communion until the present level of infection in our community has improved. Although vaccination, mask wearing, and distancing from others has benefit in decreasing the risk of illness, not everyone is able or will choose to adopt these measures. We urge you to consult your medical provider to see if these measures and/or returning to online worship would be best in your family's specific situation. Again, please be active in prayer that our church family remains healthy and unified in purpose during this time.

Thank you, The Northside Elders

The Next Food Pantry will be Friday, September 3.

Please let David Kernodle know if you can help.
