

Northside Heart Moms

Heart Moms will lead the small groups as home hostesses, meal providers, and/or Bible Study Leaders. Heart Moms are older married or widowed women who are empty-nesters.

What is a Heart Mom?

- She's not an expert or a "know-it-all"
- She doesn't have to have formal training or degrees
- She hasn't done everything perfectly
- She's a mom who has made it through some challenging, tough years of mothering
- She is eager to share her experiences as a wife and mom
- She's learned and is still learning from her mistakes and her successes
- She's willing to share her own insights with a young woman coming along behind
- She knows how hard a job that mothering can be
- She's experienced God's guiding hand in her and her children's life
- She looks to biblical knowledge and wisdom as a foundation for her home
- She's wise and discerning and full of encouragement for a young mother

Why should I be a Heart Mom?

- You will be a Titus 2 woman who will influence younger women to be Godly women so that they will honor God's word
- You will be a discipling Mom who will bring glory to the Gospel by helping a younger Heart Sister see Scripture that will transform her life
- You will be a woman who honors God when being submissive to His teaching and His will for her marriage and her children
- You will be a mature woman who will disciple young women in the teachings of the Bible concerning their own lives and the lives of their husbands and children
- You will see that God's standard for women is taught for the legacy of Christian families to continue
- You will help women to walk with God and this will move us all closer to living a pure, holy, and reverent life as we strive to do what God has called us to do in His church.
