

# NORTHSIDE CHURCH OF CHRIST

**JULY 9-11**

**6:00-7:45**

Who doesn't like a good hero story?

Young and old alike enjoy the stories of unexpected men and women who rescue when the broken need saving, lead when the doubtful need courage, and serve when the prideful need humility.

We read and watch stories of heroes like these with excitement and intrigue. We enjoy the Marvel and DC characters of unique and powerful abilities. We are amazed over the war story where a young soldier risks everything to save a few or the western where the lone cowboy becomes a knight in shining armor. And how about our children? Incredibles, Woody and Buzz Lightyear, and the growing plethora of princesses in the Disney World of Magic. And who doesn't get thrilled over the next Star Wars story?! Almost every movie or book has a hero.

The Bible is no different and its heroes tell the most exciting tales of what it means to be heroic. Our theme for VBS this year is "Incredible Bible Stories". This is a super hero theme with three sensational characters of study: Moses as a rescuer, Deborah as a leader, and Jonathan as a servant. AND, obviously, a VBS about heroes would not be complete without having the opportunity to teach our young ones about the marvel of all heroes, Jesus. He is our Rescuer, Leader, and Servant.

We hope that you and your kids will be able to join us!
