

## **Guest Speaker This Sunday Evening**

Sunday April 17, for our evening service we will be having a guest speaker. Jerry Max Morgan, from Paragould, AR, will be speaking about his work as a missionary in Ukraine and the relief efforts he is currently spear heading through four churches in Poland.

Jerry has been working with the Mountain Home Church of Christ for well over 20 years and our eldership decided this may be a good avenue for Northside to provide financial aid.

Please make plans to hear and learn more about what is being done for the Ukrainian people and how we can best help in this war-torn region.
